

72" Sensor Boom for 6" Diameter Tower

1/4-20 Set screws, (1/8" hex) secure vertical stub mast.

3/8-16 Set screws, (3/16" hex) secure boom end fitting to steel tube.

Notes:

- Boom tube is 75" long, zinc-plated steel.
- All U-clamps use 3/8-16 threaded fasteners.
